## **Child Protection Policy**

The Board of Management recognises that child protection and welfare considerations permeate all aspects of school life and must be reflected in all of the school's policies, practices and activities.   - recognise that the protection and welfare of children is of paramount importance, regardless of all other considerations;
  - fully co-operate with the relevant statutory authorities in relation to child protection and welfare matters

  - fully respect confidentiality requirements in dealing with child protection matters.

The school will also adhere to the above principles in relation to any adult pupil with a special vulnerability.

- 5. The Board has ensured that the necessary policies, protocols or practices as appropriate are in place in respect of each of the following items: Code of Behaviour/Anti Bullying, Attendance Strategy, Enrolment Policy, Supervision of Pupils, Gender Equality, Home/School Links, Integration of Children with Special Needs.
- 6. This policy has been made available to school personnel and is readily accessible to parents on request. A copy of this policy will be made available to the Department and the patron if requested.
